

Agenda

Venue: ***Hotel NH Brussels EU Berlaymont, Brussels, Belgium***
De Gasperi meeting room

Zoom registration link: https://cmcc-it.zoom.us/meeting/register/RyHSwNJtSTqcARzUkdQOqQ

8:30-9:00 Registration of participants

9:00 - 9:20 **Opening remarks**

Welcome opening remarks from project coordinators (CMCC Foundation, MeteoRo)
Welcome opening by the project officer

9:20-9:50 **Research highlights and policy implications from the ACCREU and CROSSEU projects** (CMCC Foundation, MeteoRo)

9:50-10:45 **Invited speeches**

Chair: Enrica De Cian, CMCC Foundation and Ca' Foscari University of Venice

- Virginia Enache - Ministerial Counselor, Permanent Representation of Romania to the European Union
- Philippe Tulkens - Head of Unit Climate and Planetary Boundaries, DG Research and Innovation at the European Commission
- Paolo Caridi - Head of Unit Climate Adaptation and Resilience, DG CLIMA at the European Commission

Q&A

10:45–11:15 Coffee break

11:15- 12:45 **Thematic session 1: Advancing knowledge in climate change impacts**

Chair: Francesco Bosello, CMCC Foundation and Ca' Foscari University of Venice

Presentation 1.1: *Sectoral impacts: a focus on health and biodiversity* (Amanda Palazzo - IIASA, Gemma Gerber - IIASA, Elisa Sainz de Murieta - BC3)

Presentation 1.2: *The Macroeconomics of Adaptation: Lessons from CROSSEU* (Nicholas Vasilakos - University of East Anglia, Olivier Dessens - University College London, Alvaro Calzadilla - University College London)

Presentation 1.3: *The macroeconomic dimension of climate change impacts in the EU regions and countries* (Francesco Bosello - CMCC Foundation and Ca' Foscari University of Venice)

Presentation 1.4: *Climate Policy Response and Targeted Recommendations* (Alice Ludwig - University of Natural Sciences and Life Sciences)

Q&A

12:45 - 13:45 Lunch break

13:45 - 15:15 **Thematic session 2: Advancing knowledge in climate change adaptation**

Chair: Sorin Cheval, MeteoRo

Presentation 2.1: *Cost and effectiveness of adaptation in the EU. What we learnt from modelling exercises and case study of ACCREU* (Paul Watkiss - PWA, Anoek van Tillburg- Deltares)

Presentation 2.2: *Social Dimensions and Equity associated with Climate Risks and Adaptation Options* (Kirsten Halsnaes - Technical University of Denmark, Sorin Cheval - National Meteorological Administration)

Presentation 2.3: *The macroeconomic dimension of adaptation in the EU: fiscal and distributional implications, and integrated policy assessment* (Eva Preinfalk - Graz University, Kaj-Ivar Van der Wijst - Utrecht University, Lorenza Campagnolo - CMCC Foundation)

Presentation 2.4: *Climate Change Impacts and Adaptation Opportunities for European Agriculture: Insights at NUTS2 level* (Olivier Dessens, Alvaro Calzadilla, Zein Khraizat - UCL)

Q&A

15:15 - 16:15 **Presentation of project "tools"** (i.e. handbook/databases, etc)

ACCREU: *The ACCREU Scenario Explorer, Database and Digital Handbook* (Amanda Palazzo - IIASA, Enrica De Cian - CMCC Foundation and Ca' Foscari University of Venice)

CROSSEU: *CROSSEU Decision Support System* (Alberto Troccoli - World Energy & Meteorology Council)

16:15 - 16:30 Closing

Funded by
the European Union
